About the Institute

Netaji Subhash Chander Bose Memorial Government College, Hamirpur (H.P.) came into existence in the year 1965, situated across SH – 39 at a distance of 2 kms. from the District Headquarter Hamirpur on Hamirpur-Sujanpur Road. The institution is a pioneer of higher education in the entire state, the motto of which is “Veerta Aaur Balidaan”, i.e., “Bravery and Sacrifice”. The college stands for academic excellence, exemplary achievements in sports and cultural activities. It is an alma mater which all alumni look back to with fond memories.

The college is affiliated to the Himachal Pradesh University Shimla u/s 2(f)&12(B) of UGC act and has been accredited B grade by NAAC in the year 2015. The college offers different undergraduate programmes in humanities, science and Commerce. Postgraduate Courses in Mathematics, English, Hindi, Economics and Commerce are also run by the college. The college also runs self-financing courses in BBA, BCA and PGDCA.

Convener	: Dr. G. C. Rana, Associate Professor Department of Mathematics
Organising Secretary	: Dr. S. K. Kango, Associate Professor Department of Mathematics
Members	Dr. M. S. Mishra, Associate Professor Dr. Y. S. Patyal, Associate Professor Dr. J. S. Patyal, Associate Professor Dr. Sanjay Thakur, Associate Professor Mr. Vikram S. Thakur, Associate Professor Dr. Satish Soni, Associate Professor Mr. Baljeet Jamwal, Associate Professor Ms. Neelam Guleria, Associate Professor Mr. Mukesh Kumar, Associate Professor Mr. Ravinder Paul, Associate Professor Mr. Bal Kishan Juneja, Associate Professor Mr. Naresh Kumar, Associate Professor Dr. Kusum Sharma, Associate Professor Ms. Kalpna Chadha, Associate Professor Dr. Vijay Kumar, Associate Professor Dr. Krishan Lal, Associate Professor Dr. Manoj Dogra, Assistant Professor Mr. Sourabh Sood, Assistant Professor Dr. Dinesh Sharma, Assistant Professor

About the Seminar

The overall scenario of higher education in India does not match with the Global Quality Standards. Hence, there is enough justification for an increased assessment of the quality of the country's educational institutions. Traditionally, these institutions assumed that quality could be determined by their internal resources, viz., faculty with an impressive set of degrees and experience detailed at the end of the institution's admission brochure, number of books and Journal's in the library, an ultra-modern campus and size of endowment etc., or by its definable and assessable outputs, viz., efficient use of resources, producing uniquely educated, highly satisfied and employable graduates. This view of determining Quality in Higher Education popularly termed as the "Value-Addition" approach, does not measure the competencies. The competencies are recall, understanding and problem solving. The student should understand and accept these concepts, and the level of competency they are expected to attain should also be defined in consultation with them.

The conference will include invited talks by the distinguished Educationists, Academicians, Administrators and presentations of papers by the various faculties of Colleges/Institutions, young researchers and students to discuss the various innovations and Techniques for the improvement of Quality of Higher Education.

Call for Papers

Papers are invited for conference on the following areas of interest that include, but are not limited to:

Main Themes of the Conference

- Research and innovations in Higher Education Institutions
- Privatisation and Commercialisation of Higher Education
