

Best Practice-II

Title of the Practice – N-SPIRIT through Clubs and Societies.

Objectives of the Practice:

- To Foster Leadership Skills
- Promote Collaboration and Teamwork
- Enhance Student Engagement
- Encourage Community Building
- Develop Time Management and Organizational Skills
- Promote Creativity and Innovation
- Enhance Academic and Career Skills

The context: NSCBM Government College Hamirpur is committed to develop dynamism, good leadership qualities, strong human values and social connect in our students. We provide them with the kind of platforms that motivate and prepare them for responsible citizen by forming various clubs and societies run by the students and coordinated by teachers through which students get involved in academic, social and extra-curricular activities.

The Practice:

N-SPIRIT - NSCBM Government College Hamirpur, Students Promoting Innovation, Research, Inspiration, and Teamwork through Clubs and societies is the full description of the practice. The college has formed various clubs and societies for the holistic development of students. Round the year these C&S have organized different activities, which are fully managed by students.
