**Department of Zoology**  
N.S.C.B.M. Govt College Hamirpur

14 Sept 2024;

Department of Zoology of NSCBM Govt. College Hamirpur, organized the overwhelming guest lecture on 14 September 2024. The venue for the event was Room no. 242 in the Department of Zoology. Event started at 10:15 a.m. The guest lecture gathers eminent speaker Prof. Rup Lal, an INSA senior scientist at University of Delhi, a fellow member of American Academy of Microbiological Sciences (FAAM), Indian National Science Academy (INSA), the National Academy of Sciences (FNASc), the National Academy of Agricultural Science (FNAAS), the Academy of Microbiological Sciences (FAMSc).

The head of the department of Zoology Dr. Krishan Lal, gave the welcome address and read the profile of the guest speaker. Prof. Dr. Krishan Lal, Prof. Dr. Sandeep, Prof. Sanjay Chauhan and Prof. Harsha welcomed the guest speaker and honored them with a token of appreciation.

The lecture started at around 10:30 a.m. Prof. Rup Lal, the guest speaker, with his excellent communication skills and knowledge, forms an optimistic environment. In the beginning, he introduced his journey of life, including his research interest and focused on his career. He spoke about the importance of determination to get success in life and also explained the difference between the opportunities the present youth have as compared to the past ones. He motivated the student to take full advantage of the time and opportunities and to be strong to tackle every opposite situation of life. He justified that every situation teaches a new thing. He also discussed his research about the Microbes their, abundance and significance. He also made students aware about the cleanliness and common uses of microbes.

The session was concluded by a question answer round in which students interacted with him. The formal vote of thanks was given by Dr. Krishna Lal. After that refreshments were distributed to students. The event ended at around 12:30 p.m. It was an excellent learning experience which motivated the students and made them understand the importance of determination in life.
