Day 1 to Day 6

16/12/2024 to 21/12/2024

Dr. Sangeet Pathak (SGTB Khalsa College, Anandpur Sahib, Punjab), delivered lectures on Foundations in Mathematics. Dr. Sangeet Pathak nicely explained the idea of writing English statements in terms of mathematics statements using quantifiers. Dr. Pathak talked about negation, converse, contrapositive, implication of mathematical statements using day to day life example, and explained the concepts like sets, functions, equivalence of statements and so on. Dr. Rohit Gandhi(Govt. College Indora, Dist. Kangra, H.P.), delivered lectures on Real Analysis. He explained the basic definitions of real analysis using quantifiers like Law of Trichotomy , upper bound, bounded above, least upper bound, LUB property, Archimedean property etc. He gives a geometric approach to understand these definitions. Dr. Gaurav Sharma (Govt. College Beetan, Dist. Una, H.P.), delivered lectures on Symmetric Groups, Binary composition, Groups, subgroups and Cosets. He focused on proving theorems by asking questions to students. He also used some models to explain the concepts of symmetric groups. Dr. Sunil Kumar Sharma (NSCBM. Govt. College Hamirpur) talked about linear equations and their solution sets. He gave the geometrical representation of linear equations with their solution sets. Dr. Deepak Pathania Department of Environment Science, Central University of Jammu & President of HIM Science Congress Association, shared his views on Current environmental issues . Dr. Rajesh Saini (Gandhi Memorial National College, Ambala Cant. Haryana), delivered his talk on programming in MATLAB. He motivates the students to write a programme in MATLAB. Dr. Manjeet Kumar (Dr. B.R. Ambedkar, Govt. College Dabwali, Dist. Sirsa, Haryana),provides an insightful lecture on Scientific Manuscripts Writing In LaTeX. He guided the student how to write a project/Research paper/Article by using LaTeX. He also demonstrate the LaTeX hands on tool in the computer lab. Dr. Pawan Kumar Sharma (Department of Mathematics and Scientific Computing, NIT Hamirpur), delivered his lecture on Vedic mathematics. He discussed the various techniques to solve mathematical problems without using calculator. Dr. Ramesh Kumar Vats (HOD,

Department of Mathematics and Scientific Computing, NIT Hamirpur), shared his views with the participants on How to write research projects? He shared his own research experience with the participants and also guided them to write a research paper/research article/chapter in book. Participants asked various questions related to the research with him and he nicely explained each query. Dr. Pankaj Thakur (Dean Research, ICFAI University, Baddi), delivered an online session on “How to write research paper”? He shared his own research experience with the participants. Everyday 9:30 am to 10:00am students discussed their doubts with fellow participants or speakers.
