Report

Book Exhibition

Date of Event:

Venue: Guru Dronacharya Bhawan, Room No. 113

The Department of Economics organized a Book Exhibition on 8th March 2025 in Room No. 113 to encourage students to develop reading habits and enhance their academic understanding of Economics. The exhibition showcased a wide range of subject-related books, reference materials, and competitive examination guides. The event witnessed active participation from students and faculty members, making it a successful academic initiative.

1. Introduction

On , a Book Exhibition was organized by the Department of Economics in Room No. 113 with the objective of promoting reading habits and enhancing academic interest among students. The exhibition aimed to provide students with access to a wide variety of books related to Economics and other relevant subjects.

The event created an academic environment where students could explore different branches of Economics and understand the importance of reference books beyond their prescribed syllabus.

2. Objectives of the Book Exhibition

- To promote a strong reading culture among students
- To enhance subject knowledge in Economics
- To familiarize students with reference books and competitive exam material
- To encourage self-study and research-oriented learning
- To create awareness about contemporary economic issues

3. Highlights of the Exhibition

The exhibition displayed a diverse collection of books covering various areas of Economics, including:

- Microeconomics and Macroeconomics
- Indian Economy and Economic Reforms
- Development Economics
- Public Finance and Banking
- International Trade and Globalization
- Competitive examination guides (UGC-NET, CUET-PG, Civil Services, etc.)

In addition to textbooks, biographies of renowned economists and books on current economic policies were also showcased. Faculty members guided students in selecting appropriate books according to their academic requirements and career aspirations.

4. Organizing Committee

- Dr. Alpna Sharma – Head of Department of Economics

- Dr. Dinesh – Department of Economics

The organizing committee ensured smooth coordination and proper arrangement of the exhibition.

5. Participation and Response

A large number of students from various semesters visited the exhibition and actively explored the displayed books. The event witnessed enthusiastic participation, and students showed keen interest in reference materials and competitive exam preparation books.

Faculty members interacted with students and encouraged them to cultivate the habit of regular reading. The exhibition created an intellectually stimulating atmosphere within the department.

6. Outcome

- Increased awareness about advanced reading materials in Economics
- Encouraged students to explore beyond classroom teaching
- Motivated students towards higher studies and competitive examinations
- Strengthened academic engagement within the department

7. Conclusion

The Book Exhibition proved to be a highly informative and enriching initiative. It successfully achieved its objective of promoting academic curiosity and strengthening reading habits among students.

Such events play a significant role in fostering intellectual growth and developing a deeper understanding of Economics.
