Arthashastra: The Economics Society

Report: The Economics Society (2024–25)

Date: 04th October 2025

Time: 1:30 pm onwards

Venue: Dr APJ Abdul Kalam Conference Hall

Introduction

Arthashastra: The Economics Society of the Department of Economics continued its academic and co-curricular activities actively during the session **2024–25**. The society aims to provide students with a platform to enhance their economic understanding, analytical skills, creativity, leadership qualities, and engagement with socio-economic issues beyond the classroom.

Under the guidance of faculty members and elected student leaders, the society organized interactive sessions, competitions, and academic activities throughout the year, promoting a collaborative learning environment.

Mission

The mission of Arthashastra: The Economics Society is to:

- Develop interest and awareness in economics
 - Encourage discussions on economic issues at local, national, and global levels
 - Promote critical thinking, creativity, and leadership among students
 - Build a platform for academic interaction beyond classroom teaching
-

Objectives (2024–25)

The core objectives for the session 2024–25 were:

- To nurture leadership and organizational skills among students
- To create opportunities for intellectual expression
- To provide practical exposure beyond traditional academics
- To enhance students' knowledge of socio-economic trends
- To promote communication, writing, and analytical abilities
- To involve students in academic and co-curricular activities

Activities Conducted During 2024–25

- During the session, the Economics Society organized the following academic and interactive events:
- **1. Quiz Competitions**
- General knowledge and economics-based quizzes were organized to enhance awareness of economics and current affairs among students.
- **2. Poster Making Competition**
- Students demonstrated creativity by preparing posters on economic themes such as GDP, Inflation, Budget, Digital India, and Sustainability.
- **3. Article & Essay Writing**
- Students wrote articles and essays on contemporary topics. This helped develop writing skills, critical thinking, and analytical abilities.
- **4. Group Discussions**
- Interactive group discussions were conducted on themes like:
- India's Economic Growth
- Role of Youth in Economy
- Digital Economy
- Inflation & Unemployment
- **5. Mentor–Student Interactive Sessions**
- Faculty members conducted interactive sessions to motivate students and guide them on academic and career-related matters.
- **6. Awareness Sessions**
- Short discussions were organized to help students understand topics such as:
- Budget 2024

- Global Economic Trends
- Financial Literacy
- Career opportunities in Economics.

Outcomes of the Activities

The Economics Society achieved the following outcomes during the session 2024–25:

- Improved participation of students in academic and competitive activities
- Enhanced awareness of economic issues and current affairs
- Development of leadership, teamwork, and communication skills
- Increased creativity and analytical thinking
- Strengthened bonding between faculty and students
- Encouraged students to think beyond textbooks

Outcomes of the Activities

The academic session **2024–25** was productive and enriching for Arthashastra: The Economics Society. Through various activities and student participation, the society successfully achieved its mission of promoting economic understanding, creativity, leadership, and holistic development.

The department aims to continue such initiatives and expand the learning opportunities for students in the upcoming academic sessions.
