Report on “Campus Cleaning Campaign”

Date of Event: 25th November 2025

Venue: NSCBM Govt. College, Hamirpur

Organised by: Department of Environmental Science

The Department of Environmental Science of NSCBM Govt. College Hamirpur organised a “**Campus Cleaning Campaign**” on the college campus in Vatika near Rangmanch on November 25, 2025. The programme was conducted to promote cleanliness, hygiene, and environmental awareness among the students. All undergraduate students were encouraged to participate in the event, which witnessed active involvement and enthusiastic response.

The primary purpose of the campaign was to instil in students a sense of responsibility for maintaining a clean, healthy campus environment. The campaign focused on spreading awareness about the importance of cleanliness and hygiene, encouraging student participation in environmental protection activities, and fostering a sense of ownership of the college surroundings.

During the programme, students, along with faculty members, cleaned various areas of the campus, including Vatika near Rangmach (stage) and garden spaces. Participants were briefed on waste segregation practices and the long-term benefits of adopting environmentally responsible habits. The event successfully strengthened the values of teamwork, social responsibility, and environmental stewardship. Ms. Shilpa Thakur, Head of the Department of Environmental Science, emphasises the importance of maintaining cleanliness not only on campus but also in the community.

The initiative concluded with heartfelt words from Principal **Dr. Satish Soni**, who commended the collective efforts of students and faculty. He highlighted the significance of nurturing a sense of responsibility and discipline, urging everyone to contribute actively toward creating a cleaner, healthier, and more sustainable environment. Dr. Soni reiterated that true progress

begins with small, consistent actions and encouraged the community to continue upholding these values beyond the campus.

The “Campus Cleaning Campaign” proved to be a meaningful and impactful activity, contributing significantly to the cleanliness of the campus and promoting environmental consciousness among the students.
