One Day Workshop on Competitive Exams (IIT-JAM & GATE Physics)

Resource Person: Mr. Srijan Sharma (Alumni IIT Madras, IIT JAM -224, CSIR NET 99.76%)

Organized by: NDLI Club & Vedanta Physics Society

Coordinator: Prof. Lavli Rana

Venue: Room No. 142

Date: 27th December 2025

Time: 11:00 AM onwards

Introduction: A one-day workshop on Competitive Examinations (IIT-JAM and GATE Physics) was organized by the NDLI Club and Vedanta Physics Society of the college on 27 December 2025 at 11:00 AM onwards in Room No. 142. The main aim of the workshop was to guide undergraduate students about national-level competitive examinations in physics and to help them understand preparation strategies for IIT-JAM and GATE.

Objectives of the Workshop:

- To create awareness about IIT-JAM and GATE Physics examinations.
- To guide students regarding exam pattern and syllabus.
- To provide effective preparation strategies for competitive exams.
- To motivate students to pursue higher studies and research in physics.

Details of the Workshop: The workshop began at 11:00 AM with the welcome of participants by the organizers. Students from the Physics department actively participated in the session.

During the workshop, the speakers discussed:

- Overview of IIT-JAM and GATE Physics examinations
- Detailed syllabus and exam pattern
- Important topics and weightage in exams
- Time management and preparation strategies
- Recommended books and study resources

Students were also informed about career opportunities after qualifying these exams, including admission to IITs, IISc, IISERs, and other reputed institutes.

Interaction Session: An interactive session was conducted where students asked questions related to preparation strategy for JAM and GATE, important topics in physics, managing college studies with exam preparation, and career options after qualifying competitive exams. The speakers addressed all queries and motivated students to start their preparation early.

Conclusion: The workshop was highly informative and beneficial for the students. It helped them gain a clear understanding of IIT-JAM and GATE Physics examinations and inspired them to pursue higher education and research in physics. The event concluded with a vote of thanks to the organizers, speakers, and participants.
