

## Red Ribbon Club

### “Report on HIV/AIDS Awareness Programme on 01-12- 2023”

The AIDS Day was observed in NSCBM Govt. College Hamirpur on 01-12-2023. For this purpose an awareness programme was organized in the lecturer theater no. 342. The theme of the event was : **“Lets Communities leads”**. The Nodal Officer of the Red Ribbon Club, Mr. Sanjay Chauhan (Assistant Professor of Zoology) talked on the purpose of celebration of this day. The information about of HIV/AIDS, modes of transmission of HIV, precautions to avoid being its victim, Anti Retroviral therapy, HIV/AIDS helpline no. and ICT centres was given by him. He also talked on the help provided by the government to the AIDS patients. The myths associated with this disease were also explained by him. Along with this, he also made the students aware about another addiction of today’s time i.e. Druge abuse. During the event declamation and poster making competitions were also held.

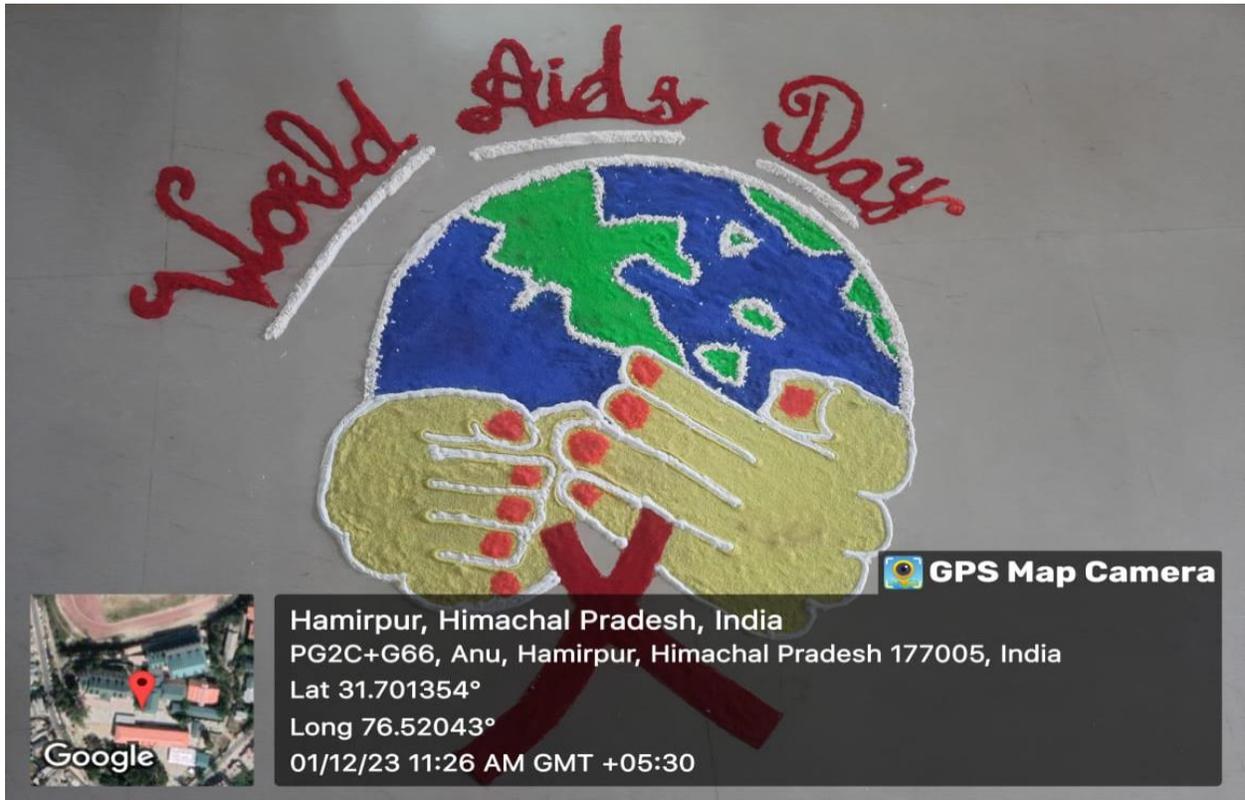

#### Activity 1: Declamation

|                             |                 |

Photographs of event:

All types of publicity materials related with HIV/AIDS awareness like flex kites, banners etc were displayed at the venue. The Red Ribbon Club Nodal Officer Prof. Sanjay Chauhan urged all present there to take the message to the friends, family members and the society and to make contribution in creating awareness about HIV/AIDS, Hepatitis B and C, Tuberculosis and Drug Abuse. He also said that AIDS patient should always be dealt sympathetically and no discrimination should be done with them though in all such cases identity of the patients is not disclosed. He said that being the educated persons it is our responsibility to make society aware about all the issues which need the attention of the general public.
