**Concept Note-** Any country may become developed country through high quality education and scientific research. India is excelling both in education and scientific research. India has diversity in culture, flora and fauna. India is also famous for spirituality. There have been many saints, philosophers and social reformers. Dr. BR Ambedkar was chief architect of constitution of India. He has contributed in many ways for the development of India. Dr. Ambedkar was born on 14<sup>th</sup> April 1891 and he died on 6<sup>th</sup> December 1956. He was highly educated scholar. He has worked for the development of all sections of society particularly the downtrodden. Conservation of environment, Sustainable use of science and technology for equal development of all sections of society is the need of present times. National Education Policy 2020 is going to bring extensive change in the education system of India. Science and

Technology must play an important role for solving different problems and Local level, National Level and International Level. Ethics need to be followed. Developing the scientific attitude especially among the young minds is needed. Deliberations during this seminar shall be fruitful.

**About Seminar-** It is a matter of immense pleasure that Department of Zoology, NSCBM Govt. College, Hamirpur (H.P.) is going to organize a National Seminar on National Seminar on Life and Contributions of Dr. BR Ambedkar and Contemporary Issues in Environment, Culture & Indian Society on 6<sup>th</sup> December 2023. During this seminar opportunity shall be provided to the faculty and research scholars to deliberate on the themes and subthemes of this seminar. This National Seminar will also create awareness among students and participants, about themes and subthemes of this academic event.

**About College-** NSCBM Govt. College Hamirpur has been established in 1965. It is affiliated to Himachal Pradesh University, Shimla. It is located at a place called Anu, at a distance of 2 km from Hamirpur Bus Stand on Hamirpur-Palampur road, in district Hamirpur of Himachal Pradesh. Distance from Shimla to Hamirpur is approximately 145 km.
