Proceeding of the meeting held on 3rd June, 2023

At the outset of the meeting, Principal Dr. Pramod Singh Patial extended a warm welcome to all the members of the Internal Quality Assurance Cell (IQAC). Subsequently, Principal Patial proceeded to address the agenda items discussed during the previous meeting held on August 12, 2022. He meticulously reviewed each proposal and presented the reports in a comprehensive manner, addressing each point individually as follows:

Proposal 1: Final execution of different works started under Utkrisht Mahavidyalaya

Yojna:

Action Taken Report: All the works initiated under the Utkrisht Mahavidyalaya Yojna have been successfully completed.

Proposal 2: Up-gradation of Bioinformatics Lab. and Physics Lab. for PG students:

Action Taken Report: The Bioinformatics Lab, as well as the Chemistry and Physics Labs for postgraduate students, have undergone a comprehensive upgrade, resulting in their successful completion. These enhancements have significantly improved the facilities and resources available to students

Proposal 3: Purchase of Library Books for P.G. Classes:

Action Taken Report: The reference books recommended by the respective Heads of Departments (HODs) for M.Sc. (Physics/Chemistry/Mathematics), M.A. (Hindi/Economics/English), and Commerce classes have been successfully procured.

Proposal 4: Establishment of departmental library for PG students in the departments of

Botany and Zoology:

Action Taken Report: Separate departmental libraries dedicated to postgraduate students have been established for each department. These departmental libraries have been meticulously set up to create an optimal learning environment, tailored to meet the unique needs and interests of postgraduate students.

Proposal 5: Up-gradation of Career Counselling Cell and establishment of Smart/Virtual

Class rooms:

Action Taken Report: The Up-gradation of the Career Counselling Cell and the establishment of Smart/Virtual Classrooms have been successfully completed. These initiatives signify the institution's commitment to providing comprehensive support services and advanced educational technologies to enhance the learning experience for students.

Proposal 6: Celebration of important days during the session:

Action Taken Report:

- The Independence Day with Flag hosting was celebrated on 15th August, 2022. The event served as a collective commemoration of the nation's freedom and a tribute to the sacrifices made by our forefathers.
- The Teachers' Day, observed on September 5, 2022, was joyously celebrated by every department in our institution. This special occasion provided an opportunity to express gratitude and appreciation towards the dedicated educators who play a pivotal role in shaping the future of students.
- The Department of Hindi organized a vibrant and memorable celebration of Hindi Divas on September 5, 2022. The Hindi Divas celebration was attended by students, faculty members, and language enthusiasts. The event commenced with a captivating inaugural ceremony that included inspiring speeches highlighting the importance of Hindi as a language of national identity and unity.
- On December 1, 2022, the College NSS Unit, in collaboration with the college Red-Ribbon Club, organized a remarkable celebration of World AIDS Day. This global observance aimed to raise awareness about HIV/AIDS, promote understanding, and support those affected by the disease. World Human Right Day celebrated on 10th December, 2022 organised by the department of Political Science.
- The Department of Mathematics organized a captivating and insightful celebration of National Mathematics Day on December 10, 2022. This special occasion aimed to commemorate the birth anniversary of the great mathematician, Srinivasa Ramanujan, and to promote the significance and beauty of mathematics. Eminent guest speakers, mathematicians, and professors delivered enlightening speeches, highlighting the immense contributions of Ramanujan to the field of mathematics and his impact on mathematical research.
- The birth anniversary of Netaji Subhash Chandra Bose, a revered freedom fighter and national hero, was joyously celebrated on January 23, 2023. The event was a heartfelt tribute to Netaji's unwavering patriotism, courage, and leadership in India's struggle for independence.

- On January 25, 2023, Statehood Day was joyously celebrated, commemorating a significant milestone in the history of our state. The event served as a proud reminder of the day our state was granted statehood, symbolizing our unique identity and the spirit of our people.
- On January 26, 2023, Republic Day was celebrated with immense joy and patriotic fervor. This auspicious occasion marked the day when the Constitution of our nation came into effect, establishing India as a sovereign, democratic republic.
- The Department of Physics organized a captivating and enlightening celebration of National Science Day on February 28, 2023. The event aimed to commemorate the remarkable contributions of scientists, promote scientific temper, and inspire a passion for scientific exploration among students and enthusiasts.

Proposal 7: Organisations of Conferences and Seminars:

Action Taken Report:

- On December 22, 2022, the Department of Mathematics organized a State Level Multidisciplinary Seminar on the Importance of Mathematics, with the celebration of National Mathematics Day. The seminar aimed to shed light on the significance of mathematics in various fields and its role in shaping our modern society.
- The Department of Mathematics proudly hosted the highly anticipated 2nd International Conference on Mathematics in Space and Applied Sciences from March 3rd to 4th, 2023. This esteemed conference brought together leading mathematicians, researchers, and experts from around the world to explore the intersection of mathematics, space sciences, and various applied disciplines.
- The Department of Zoology took great pride in organizing the prestigious National Seminar on the Impact of Science and Technology on Society, held from March 25th to 26th, 2023. This seminal event aimed to delve into the multifaceted implications of science and technology on various aspects of society, fostering a deeper understanding of their role in shaping the world we live in.

Proposal 8: Increase of seats in BBA, BCA & PGDCA and renovation/updation of BCA

Lab:

Action Taken Report:

- The proposal to increase the number of seats in BBA, BCA, and PGDCA programs has been prepared and submitted to the HP University, Shimla. Recognizing the growing

demand and interest in these programs, the proposal highlights the need to expand the capacity to accommodate a larger cohort of students aspiring to pursue their education in these fields.

- In accordance with the university guidelines, the affiliation fee for the increase of seats has been paid to the HPU Shimla.
- The process of renovating and updating the BCA lab, as well as the allocation of new rooms for BBA and BCA, has been successfully completed. This significant undertaking aimed to provide students with state-of-the-art facilities and a conducive learning environment, aligning with the evolving needs and advancements in the field of business and computer applications.

Proposal 9: To construct a tank for the waste water of College canteen:

Action Taken Report: A dedicated tank for the disposal of wastewater from the college canteen has been successfully constructed. The construction of this wastewater tank aligns with the institution's commitment to environmental sustainability and responsible waste management practices.

Proposal 10: Different areas to be marked for NCC, NSS, Rover and Ranger:

Action Taken Report: To facilitate the smooth organization of activities by NCC, NSS, Rover, and Rangers, specific areas have been allotted within the college campus. These designated areas serve as dedicated spaces for these organizations to carry out their respective programs and initiative.

Proposal 11: To make Green Campus:

Action Taken Report: To make campus green the following initiative were taken:

- The projects of establishing the Ayush garden, Chemi Green garden, and Nav Grah Vatika have been successfully completed, adding a touch of natural beauty and tranquillity to the college campus.
- The establishment of the Ayush garden reflects the institution's commitment to promoting holistic well-being and the principles of Ayurveda.
- The Chemi Green garden represents the institution's dedication to environmental sustainability and creating green spaces within the campus.
- The Nav Grah Vatika, or the Nine Planets Garden, is a unique addition to the campus landscape. This garden showcases plants that are associated with each of the nine celestial bodies in Vedic astrology.

Proposal 12: Repair of College boundary wall and girl's Hostel broken wall:

Action Taken Report: The estimate for the repair of boundary wall has been prepared by HPPWD Hamirpur and Rs. 6 approx. Lakh has also been deposited with the executing agency.

Proposal 13: Pebble tiling near commerce block:

Action Taken Report: The area surrounding the commerce block has been skillfully adorned with elegant pebble tiles, adding a touch of sophistication to the surroundings.

Proposal 4: Repair and up-gradation of B. Sc. Computer science lab.:

Action Taken Report: The proposal for the renovation and updating of the B. Sc. Computer Science lab is currently in progress, with significant advancements made thus far. As of now, approximately 90% of the work has been successfully accomplished. The lab is on its way to being transformed into a modern and technologically advanced space that will enhance the learning experience for students.

The meeting ended with a vote of thanks to the chair.
