1.3: Curriculum Enrichment

1.3.1: Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability in transacting the Curriculum

N.S.C.B.M. Govt. Degree College, Hamirpur, embraces a holistic approach that extends beyond subject-specific expertise and transcends the mere transmission of academic knowledge.

The college accomplishes this majorly by incorporating crosscutting issues, such as professional ethics, gender equality, human values, environmental consciousness, and sustainability, directly into its curriculum. This strategic integration equips students with multidimensional skills, knowledge, and values necessary to confront and overcome complex societal challenges. Further, college employs a comprehensive five-fold strategy viz.: curricular mapping, guest lectures and workshops, project-based learning, interactive discussions and community engagement; to incorporate these values into its educational framework.
