## 1. INTRODUCTION

The Old Students Association of Government College Hamirpur in Himachal Pradesh is a prestigious organization that brings together alumni from different batches and provides a platform for networking, social interaction, and collaboration. Established with the aim of fostering a sense of belonging and pride among the former students, the association plays a vital role in connecting the past and present, strengthening the bond between the college and its graduates.

The Old Student Association(OSA) was formed on 17th September, 2015 named as “**OLD STUDENT ASSOCIATION, NETAJI SUBHASH CHANDER BOSE MEMORIAL GOVERNMENT COLLEGE HAMIRPUR, DISTRICT HAMIRPUR, H.P.**”

Government College Hamirpur, founded in 1965, has a rich legacy of producing scholars and professionals who have excelled in various fields. The Old Students Association acts as a bridge between these successful individuals, enabling them to give back to their alma mater and contribute to its growth. It serves as a platform for alumni to reconnect, reminisce, and share their achievements with fellow graduates.

One of the primary goals of the Old Students Association is to support the current students of Government College Hamirpur. Through mentorship programs and career guidance seminars, alumni provide invaluable insights into different professions and offer guidance to students who are about to embark on their professional journeys. This interaction with successful graduates boosts the morale and confidence of the current students and inspires them to work harder towards their goals.

Additionally, the association arranges lectures, workshops, and seminars by renowned alumni and experts in various fields. These events provide a platform for intellectual discourse, knowledge sharing, and skill development. They not only benefit the current students of the college but also strengthen the bond between the alumni and give them an opportunity to network with each other.

Furthermore, the Old Students Association is involved in a range of philanthropic activities. They organize fundraising events and scholarships for meritorious students who come from economically disadvantaged backgrounds. By providing financial assistance, the association ensures that deserving students are not deprived of quality education due to financial constraints. This emphasis on inclusivity and equal opportunities is a testament to the association's commitment to the betterment of society.

The association also takes pride in recognizing and felicitating distinguished alumni who have excelled in their respective fields. These awards serve as a source of motivation and inspiration for the current students and encourage them to strive for excellence. The achievements of these successful individuals are showcased as a source of pride and inspiration for the entire college community.

Moreover, the Old Students Association organizes annual alumni meets and reunions, where former students from different batches come together to reconnect, reminisce, and share their experiences. These events foster a sense of camaraderie and nostalgia among the alumni, reminding them of the memories and friendships forged during their college years.

In conclusion, the Old Students Association of Government College Hamirpur, Himachal Pradesh serves as a vital link between the alumni and their alma mater. It plays a crucial role in supporting current students, fostering networking opportunities, organizing enriching events, and giving back to society. Through its various initiatives, the association strives to maintain the spirit of unity, pride, and lifelong learning among the graduates of Government College Hamirpur.

During a meeting of an Old Student Association (OSA), modifications or changes to the members can be made through a formal process. Here are some common procedures that might be followed:

**Proposal:** A member or a designated committee presents a proposal for modifying the association's membership structure. This could include adding or removing specific categories of members, changing eligibility criteria, or updating membership fees.

**Discussion:** The proposed modifications are discussed among the attendees during the meeting. Members may ask questions, seek clarifications, or express their opinions on the proposed changes.

**Amendments:** If there is a general consensus or a need for modifications to the original proposal, amendments can be suggested. These amendments are typically voted upon by the members present.

**Voting:** Once the discussion and any amendments are complete, a formal vote is conducted to approve or reject the proposed modifications. The specific voting process may vary based on the association's bylaws or constitution.

**Approval:** If the proposed modifications receive the required majority vote, they are considered approved. The changes are documented and incorporated into the association's governing documents, such as the bylaws or constitution.

## Minutes of the Old Student Association 13<sup>th</sup> Meeting

Date: 5<sup>th</sup> Feb, 2022

Location: N.S.C.B.M Govt. College Hamirpur

After the lockdown period, the Old Student Association (OSA) held a meeting to discuss the forms collected online.

**Attendance:** Members of the OSA gathered in person or through a virtual meeting platform, adhering to social distancing guidelines and safety protocols.

**Form Review:** The collected online forms, including membership applications, event registrations, or survey responses, were reviewed by the designated committee or volunteers.

**Data Compilation:** The information provided in the forms was compiled and organized to create a comprehensive database of alumni details, preferences, and interests.

**Membership Confirmation:** The committee verified the eligibility and authenticity of the membership applications based on the established criteria and cross-referenced the collected data.

**Event Planning:** The forms collected online provided valuable insights into the interests and preferences of the alumni regarding potential events. The OSA members discussed and brainstormed ideas for upcoming events, considering the responses and suggestions received.

**Communication Strategies:** The collected forms also offered an opportunity to understand the preferred communication channels and frequency of updates desired by the alumni. The association discussed ways to enhance communication, such as through newsletters, social media, or email updates.

**Feedback Analysis:** Forms that included feedback or suggestions were carefully analyzed to identify common themes or areas of improvement. The OSA members explored ways to address the feedback received and implement necessary changes.

**Volunteer Opportunities:** Some forms may have indicated an interest in volunteering or contributing to the association's activities. The OSA discussed how to engage these individuals and assign responsibilities that align with their skills and interests.

**Alumni Engagement:** The forms provided valuable insights into the alumni's current professions, areas of expertise, and willingness to participate in mentoring programs or career development initiatives. The OSA explored ways to leverage this information to foster alumni engagement and professional networking opportunities.

**Database Updates:** Finally, the committee responsible for the collected forms initiated the process of updating the OSA's database with the new information obtained. This ensured that the association's records were accurate and up to date for future communications and planning purposes.
