Career Counselling and Placement cell of NSCBM Govt. College Hamirpur organised an interactive session on 26-10-2023 for students (BBA, BCA, M.Sc Maths & M.Sc Physics). There were total 202 students participated. Sr. Associate - CSR and Employee Engagement (CSRBOX) - Shikha Dogra guided all the students regarding skill building, Resume writing, internship and interview skills. She told about the trick and tactics to crack Job interview. And “How much time do you think recruiters spend on a Resume”. She also told us about how to make an interview resume more interactive to pursue in any company. There was a fruitful interactive session between students and Sr. Associate Shikha Dogra. At the end all the students were registered on SKILL BUILD Platform and got the certificates.

Benefits of this session
