### **National Service Scheme**

NSS units of Government College Hamirpur believes in creating holistic approach, leadership qualities, social values, awareness about rights, duties and responsibilities by organizing various programmes to sensitize students. Our college has two NSS units of each 100 volunteers capacity for both girls and boys.

NSS units performed various activities during each session as follows:

- 1. Student Orientation Program conducted every year to emphasize the significance of NSS and the responsibilities of volunteers as nation builders.
- 2. Celebration of important days like Independence Day, Republic Day and Constitution Day to foster patriotic zeal and civic responsibility among the volunteers.
- 3. Volunteers are engaged with the local community and sensitized towards social responsibility through the social extension activities like village exposure programmes, plantation drive, plastic eradication drive, Yoga activities, palliative care services, blood donation, rescue-relief operations during Earthquake and covid etc.
- 4. Volunteers above 18 years are sensitized to register themselves in SVEEP programme.
- 5. Various Awareness programme are organized on Human Rights Day, World AIDS day, International Day against Drug Abuse and Illicit Trafficking, Road safety Personal hygiene and POCSO Awareness campaigns (during Special 7 days camp).
