

RED RIBBON CLUB REPORT

Career progression programme for PG students regarding NET(JRF)&SET-01/09/23

A career progression programme for MSc Zoology students was organised by Red Ribbon Club in MSc Zoology Lab no II on 01/09/2023. The event was presided over by HOD Zoology Department Prof. Vijay Kumar along with Dr. Krishan Lal and Prof. Sanjay Chauhan (Nodal officer RRC). The resource person of the event was Mr. Gaurav Sepahiya, MSc Zoology student of 2020-22 session. Prof. Sanjay Chauhan welcomed the resource person Mr. Gaurav Sepahiya, faculty members and the students in the programme. The resource person of the programme Mr. Gaurav Sepahiya (NET JRF Qualified in 2023) opened the session by talking about career in research & teaching, the importance of planning one's career in research & teaching and how to develop this. Mr. Gaurav shared his experience about qualifying the NET(JRF) exam 2023. Mr. Gaurav also shared his study material and other tips with students of MSc Zoology.

Students then asked their queries regarding their career in research & teaching and an enriching session of questions and answers followed. The Programme was concluded by vote of thanks by Nodal officer of Red Ribbon Club Mr. Sanjay Chauhan.
