

Report on the Celebration of National Wildlife Week

Date: 8th October 2024

Venue: Room No. 342

Time: 11:30 am - 12:30 pm

Organized by: Department of Zoology

Report:

The Department of Zoology celebrated National Wildlife Week from 2nd October 2024 to 8th October 2024. The event was held in Room No. 342 at 11:30 am. Dr. Krishan Lal Daroch, Head of the Zoology Department, welcomed the faculty members and students.

Dr. Sandeep Kumar delivered a presentation on "Wildlife Sanctuaries in India," highlighting the importance of conservation efforts and showcasing various protected areas for wildlife. The presentation sparked an interactive discussion among the students.

Dr. Krishan Lal Daroch presented on "Fish and Fisheries," sharing valuable insights into aquaculture and its significance in the country's ecosystem. The students gained valuable knowledge on sustainable fishing practices and the importance of conservation.

A poster-making competition was organized for BSc 3rd-year students, where Miss Akriti, Miss Poonam, Miss Amisha, and Miss Prachi showcased their creative talents. The posters focused on wildlife conservation, biodiversity, and environmental protection.

The celebration session concluded at 12:30 pm with a vote of thanks by Dr. Krishan Lal Daroch.

Objectives:

1. To raise awareness about wildlife conservation and biodiversity.
2. To educate students about the importance of protected areas and sustainable practices.
3. To encourage student participation in environmental conservation.

Outcome:

1. Enhanced awareness among students about wildlife conservation.
2. Increased knowledge on sustainable fishing practices and aquaculture.
3. Encouraged student participation in environmental conservation through poster-making competition.

Conclusion: The celebration of National Wildlife Week was a success, with active participation from faculty members and students. The event achieved its objectives, raising awareness and promoting conservation efforts among the students.
